through the seasons . . .

Generation after generation have passed through the doors of Education, while America was winning her independence, wars, and developing the Atomic Age. Meanwhile, youth has been hanging on the hinge of time watching, and waiting, waiting to put their finger into the pie. But they have not been idle; they have been molding the crust, working hard at making it firm and solid in order to hold the filling that waits in the future. The ingredients are made up of seasons of activities, sports, learning, and growing up. To many these are only memories.

Turn these pages and relive this season's ingredients. Again . . . VIEW . . .

Fall . . . crunching leaves, bobby sox, faded sun-tans, the opening of school, excitement. New faces, new teachers, freshies, stiff and awkward. Juniors, a year wiser, Seniors, at last on top of the world. Hear the whistle signaling the kickoff of the first football game. See the scores of the Cross Country team, the swimming team. A new term, a new adventure.

Winter . . . crackling ice, tobogganing, frostbite, activities in full swing. Cheers in the basketball stand, applauding the Senior Play. Things are humming.

Spring . . . Boy meets girl, spring fever, discarded coats, baseball team practice, golf, tennis, 18th week exams, swing out, Vacation.

student body heard through student council

During the second year under its new charter, the Student Council has proved its competence as Central's student government. With the aid and guidance of Mr. Ben Chinn, sponsor and the Executive Board, which were Harnet Chodoroff, President; Bill Schwartzberg, Vice President; Marion Greenbaum, Secretary; and R. Horowitz, Treasurer, the council began its work by publishing the Council Bulletins which listed all school activities, and were distributed to the groups each week.

A committee was formed to investigate and offer suggestions on improving the curriculum and suggestion boxes were placed in the study halls for all students.

During the spring term, Elsie Braverman

treasurer and was assisted by Bill Stephens. Greta Vireo recorded the minutes, and Phyllis Zager took care of the finances.

The new Central handbook which was begun in the fall was completed by the student council and will be ready for distribution next term. At the beginning of each term the council sponsored the orientation program to welcome new students to Central.

Student Day when the students and teachers came together was the council's last big event, thus completing a successful program for the year.

The Council deserves much credit for the work they undertook and should be praised for their success.

Walking down the halls of Central one can often see a student wearing a flashy blue and white sweater known as a "C" sweater. Behind this sweater is more than meets the eye. Ambitious athletes practicing, exercising, working, and striving to improve skills. In the fall it's football, in winter, basketball and swimming, and in spring, golf and baseball. Students of outstanding ability in sports and w

who maintained a high level of achievement are eligible for membership.

The "C" club under the leadership of Harold B. Kammerer has been very active while active in the school. The club's members are active in many school events. Other events in the club's agenda included a semi-annual Athletic Award Banquet. This banquet is for fathers and sons honoring those boys who have earned letters. "C" Club members have also sold school pennants and stickers.

For the past year, Bob Brent served as president, John Bepko as vice-president, and Bill Stephens as secretary-treasurer. The spring year, Bill Stephens served as president with Harold B. Kammerer as vice-president. Once again Bill Stephens was elected secretary-treasurer.

In the other year, the boys in the "C" club have maintained an excellent reputation in sports.

The cross country team showed a fine spirit of sportsmanship and teamwork throughout the season. The team was led by Coach "Doc" Sanford, who has been with the team for many years. The team's success was due to the hard work and dedication of the athletes. Central's men placed fifth in the league meet. Leading the team was Bill Stephens, who was named the most valuable player.

is two of the outstanding athletes at Central. Hal graduates this year, but Bill will be back next year to once again spark the Black Cross Country team. Letter winners were Bill Stephens, Nehemiah Pitts, and Hal Stephens. The team's success was a testament to their hard work and dedication.

Who keeps the spirit alive? The cheerleaders, of course. They are the ones who lead the team in their cheering and who keep the team motivated. The cheerleaders are a group of girls who are dedicated to their team and who are always ready to cheer for their team. They are the ones who make the team's success a reality. This year, the cheerleaders were led by Bill Wiler, who did a great job of leading the team. The student body also played a role in the team's success, and the cheerleaders were very grateful for their support. Central Many understand the importance of the cheerleaders and will continue to support them next year to lead the team to victory.

lack of depth stops cagers

The cagers of '53-'54 had their ups and downs. An injury to Harvey Komorn left Joe Brown, Bill Stephens, Ray Hood and Bob Brown as the only returning varsity lettermen.

After winning three of their first five league games, the Blazer hoopsters found the going quite rough and failed to win another game all season. Lack of an experienced bench seemed to be the cause of the downfall. Bright spots in an otherwise mediocre season were Bob Brown, who was given honorable mention on the All-State team and Joe Brown, who sank the longest field goal in Central's history.

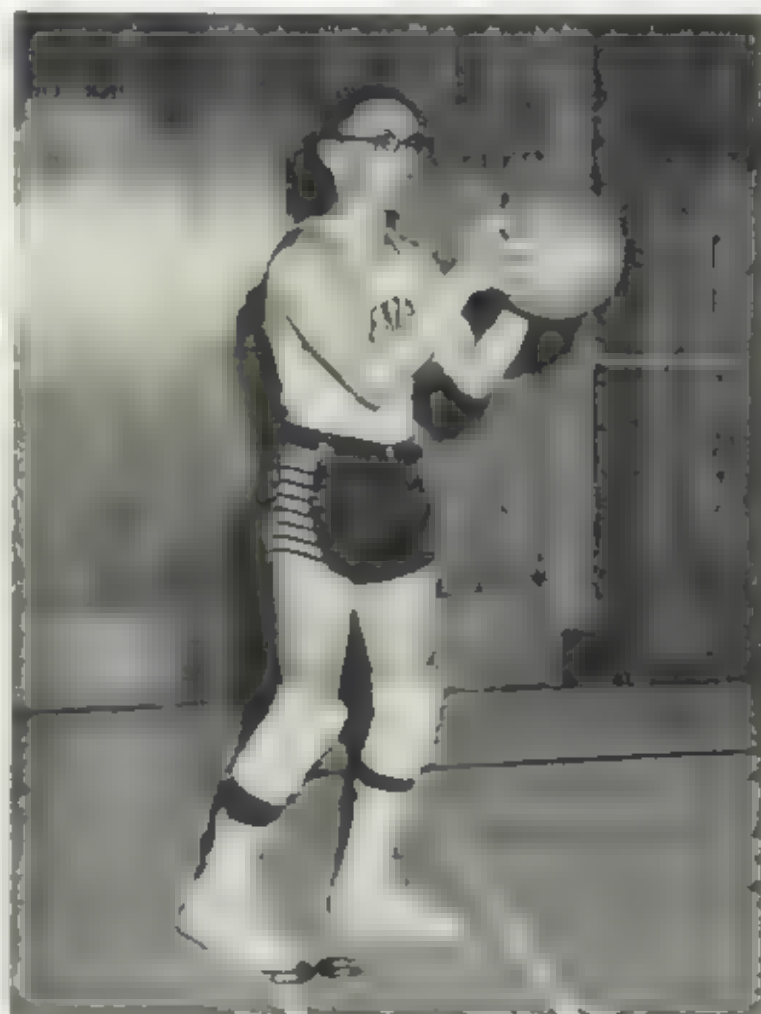

Exceptionally fine ball handling was exhibited by senior Bob Brown and tenth grader Doyle Cole. Coach Kammerer cited the Redford and Western games as the best played all season. In the Redford game, the Blazers trailed at halftime but came back to defeat an aggressive Redford squad. The Western game was one in which the rebounding of the Blazers was exceptional. The starting lineup consisted of Joe Brown and Mel Miller, guards, Ray Hood and Bill Stephens, forwards, and Bob Brown, center.

This year's reserve basketball team was one of the finest Central has had in many years. They were especially noteworthy for two reasons. First, they played excellent basketball throughout the year and provided interesting preliminary games to the varsity, and second, because of the talent and ability which they showed. Central is sure of having line varsity basketball teams in the future. One of the players who is sure to make the varsity squad next season is Ted Brod. Ted played first string center on the reserve squad this season, and developed into a fine pivot man as well as a capable rebounder.

You cannot mention the reserve basketball team without making mention of their coach, Mr. Fitch. Mr. Fitch did an outstanding job in teaching the boys the fundamentals of good basketball and in preparing them for the varsity squad in the future.

boys' and girls' swimming

Central's boys' swimming team was captained this year by Art Wolf and Shell Sobin who were the only returning lettermen from last season. The rest of the squad was rounded out by Fred Borden, who was the top diver, Al Atford as top free styler, Douglas Dowles, Lauren Winkquist, Harvey, and Jerry Greenbaum, letter winners, Dave Patterson, Larry Rosen, Lyle Hochman, Mike Weingarden, Burt Serlin, Ed Trauna, A. Coleman, Al Engelman, Gordon Lands, and Norm and Norman Carr.

Art Wolf, captain, was named MVP for the season. The boys' team was successful in the line effort and hard work of her team. The Central aqua-girls opened the '54 season with a meet at Southwestern and followed it with meets against Eastern, Western, and Western through the season were co-captains Gail Bennett and Nancy White. Barbara Grant and Gail Bennett were high scorers for the season.

LEFT: An example of fine spirit and interest in co educational activities is displayed by Centralites dancing in the gym. Many social affairs highlighted this year's activities,

and kept Liles constantly interested in school affairs. Right: Boys' gym class provides athletic activities for underclassmen.

Karen Lipkin
SPRING EDITOR IN CHIEF

The last person who can tell you what it was like to work on the 1954 edition of the Centralite, once again these years can become real to us. The clubs, the various classes, the sports events, and the parties we've had can all be relived through the pages of our yearbook.

In the spring the editor's office was full of thoughts of deadlines, printers, and the need to turn out a fabulous Centralite. This spring staff has worked long and hard to make this an outstanding book and as we turn the pages it is easy to see that their efforts have not been in vain.

The Activities staff edited by Eleanore Rudner and Louise Glatstein will long remember the last minute writing of stories, the gathering of materials, and the fun they had pasting pictures in their proper order.

The Graduation Editors, Evelyn Siporin and Jane Rosenzweig are looking for thanks from the Seniors. Their job was to get all the grad's pictures and activities in proper order and this was quite a project.

Editor Mel Lester perfected the work in the sports division and the Artwork seen throughout the book was supplied by Art Editors Charlotte Meckler and Sharon Rosenthal.

Presiding over and uniting the staff was

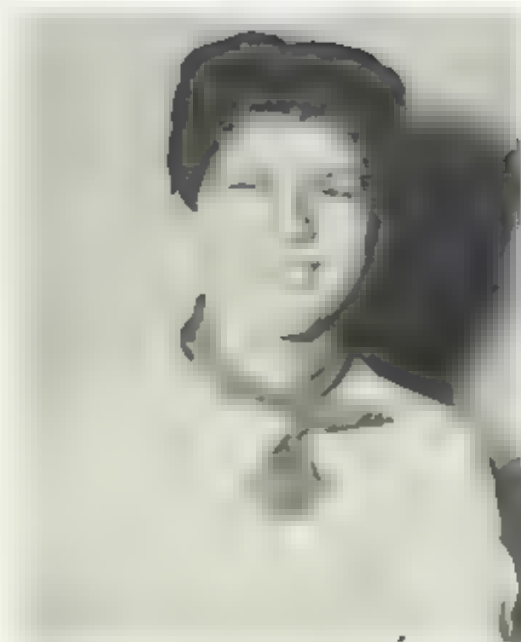

Spring Editor in Chief Karen Lipkin.

The Centralite for 1954, was planned as a book for all Centralite Students. There are things that we want to tell you right on up to senior year. Just as this is your school, so is this your book. A book to be proud of. We at the Centralite tried to make this such a book that it will meet with the approval of all.

SPRING EDITOR IN CHIEF

STUDENT EDITORS — Row 1 — J. Alzolon, co-news feature editor, N Sherman, co-lecture editor; L Fishman, co-news editor; R. Rubin, co-lecture editor; B. Sorscher, co-news editor.
Row 2 — R. Boesky, sports editor; E. Margolis, co-news feature editor.

Once upon a time, in room 122, a new paper was born. The year 1922 marks the birth of THE CENTRAL STUDENT. As the years progressed, the paper moved with them, each one being better than the one before it. Season after season each staff strived to make the paper live up to its reputation.

But this story is no fairy tale. It is a magic that made the STUDENT what it is today. It

was hard work, worry and effort. Each term brought new problems to be solved, new ideas to be created and a new staff to train.

And so we embark upon the present and sit back to view the work of this term's spring staff. Picture, if you will, a room laden with shelves, papers, pencils, and typewriters. Listen closely and you can hear the hum of voices. They belong to the new spring staff anxious to get the printer's ink into their veins, eager to go to press, desiring to hold true to tradition and put out a great paper just as their predecessors have done.

And theirs was the success story of the year, for under the able guidance of Editor-in-Chief Sandy Schechter the STUDENT came through again. News was kept intact with the help of Co-editors Ilene Fishman and Barbara Sorscher, Feature was better than ever under the direction of Naomi Sherman and Ruthie Rubin, Co-editors of page two, News Feature was handled efficiently by Esther Margolis and Judy Alzolon, and last but not least all Sports news and chatter came to 'Lites with the help of Roger Boesky, Sports Editor. And standing by was Birger Bakke, the staff's inspiration through it all. The students relied on his wisdom and judgment to guide them.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

2. Next, it is important to gather relevant information and data. This can be done through research, consultation with experts, or by analyzing existing data sets.

3. Once the information is gathered, the next step is to analyze it. This involves identifying patterns, trends, and relationships that can help in understanding the problem.

4. After analysis, the next step is to develop a solution or plan. This involves identifying the most effective and efficient way to address the problem.

5. Finally, the solution is implemented and monitored. This involves putting the plan into action and tracking its progress to ensure it is effective.

This year's track team went in the usual style of Central's track teams. As there were no Kwakers Skeeters or Blazers we had our share of champions Sprinter Doug Talbot high jumper Bill Stephens man Doug Talbot John Curry, and many others led by a coach who has helped many of our boys to become successful athletes.

and helped to give the team a winning record. The team was very interesting at Central and many of the boys turned out for all the games. The trend toward a highly competitive and interesting sport promises to make the teams in the future than ever before.

Kammerer.

Returning lettermen Harvey Sterns, George Watkins, Napoleon Miller and Jim Reily, along with experienced pitcher and infielder, Mel Lester, formed the basis for this year's baseball team. Along with them were enlisted the new and promising players. Central a well determined and highly spirited squad. In Harvey Cooper, the Blazers had one of the most aggressive catchers in the league. Jim Reily and Mel Lester supplied Central with two pitchers upon which it could depend and fleet footed and hard hitting George Watkins provided a perfect center fielder.

Long ball power and agility at first base was found in the person of Nap Miller, and in the versatility of Joe Sterns, Central possessed a very desirable player. Coach Kammerer again inspired and led the team to a very successful and interesting season.

girls' tennis brings season of cheers

GIRLS TENNIS — Row 1 — E. Brown, D. Applebaum, E. Margolis, J. Alzola, R. Frank, J. Rosenzweig, B. Sorcher

Row 2 — E. Braverman, A. Kaine, B. Hart, W. Ledger, R. Rosen, M. Lovejoy, F. Schreier.

Hit hard by heavy graduation losses, Central's girls tennis team underwent comprehensive rebuilding operations and emerged with a new look. Sorting out six new faces and a determined will to win, the girls launched an ambitious four week schedule starting April 27 against Cooley and then went on to face Mackenzie Cass, Mumford, Northwestern, Northern, W. ...

Winnie Ledger, Friedelle Schreier, Barbara Sorcher, Arlene Kaine, Elaine Braverman and Marjorie Lovejoy held down the doubles position.

Esther Margolis and Doris Applebaum were co-captains and inspired the girls throughout the season.

NAP MILLER wields a big stick to supply the Blazers with much needed long ball power, while Catcher Harvey Cooper waits for the pitch from Jim Reily, ace left hander of the Central baseball team.

linksters spring into action

GOLF TEAM — Row 1: E. May, D. Smith.
Row 2 — B. Lichtig, Mr. Minton, G. Smoler, L. Schlain.

Returning lettermen Bill Lichtig, Eddie May, Gene Smoler and Lenny Schlain gave Central plenty of depth on the fairways. Burt Schwartz and Donny Smith joined this group to round out the Central golf team. The captain for this season was Bill Lichtig, who competed for the third year on the team. Matches were held against Cooley, Cody, Redford and Mackenzie, with Redford Municipal Golf Course acting as Central's home links.

tennis team shoots for city title

The graduation of Bob Brent left all-city star Chuck "Widge" Solomon to lead the Central boys' tennis team. With Captain Solomon at first singles, Neil Flattery at second singles, and Dave Abels and Stu Sachse alternating at third singles, only the doubles teams were not fully represented by lettermen. Central's tennis teams have always been of first class caliber and this year's team was no exception. Neil Flattery joined Chuck Solomon to give Central two candidates for all-city berths, in true Blazer style. Much credit must be given to Coach Don Fitch for the fine job he has done in turning out first rate teams at Central.

SERVING DETROIT

-and Detroit serves the world!

The products of Detroit's industrial plants are shipped to the four corners of the earth. Automobiles, adding machines, kitchen ranges, bearings and bolts and thousands of other products from

Detroit plants serve the needs of people all over the world. And your Gas Company serves the needs of Detroit's people and plants. Dependable natural gas provides comforts and conveniences for community homes, essential fuel for industry and commerce. Michigan Consolidated Gas Company is proud of its service to Detroit and other Michigan communities.

CAREER TRAINING

Thousands of men and women who secured their business education at The Business Institute have moved on to successful careers in the business world.

Develop your personal qualities. The Institute training will help you to find employment for them in the offices of business, industry, or government.

Come in and talk with one of the school's registrars about the opportunities available to those who prepare for accounting, secretarial, business administration, stenographic or office machines positions.

(The Business Institute and Detroit Business University have merged.
 Teachers of both of these outstanding schools are on the combined
 staff. Students can be confident of exceptionally thorough instruction.)

Take the Telephone Company, for example. Anyone who works for Michigan Bell will tell you it's everything a girl could want in a job.

First, you don't need any experience. You learn your job *on the job* and earn a good salary while learning. Raises are regular and frequent. Your income is steady—you can always count on it—and you get annual vacations with pay.

Another nice thing about telephone work is that you'll associate with people your own age—just out of school, too. You'll work in clean, bright, pleasant surroundings. Whether you prefer to start as a telephone operator, a teller or a clerk, you'll find opportunities for advancement.

We'd like to tell you more about these and other interesting telephone jobs. Visit us soon, won't you?

MICHIGAN BELL TELEPHONE COMPANY

"A FRIENDLY PLACE TO WORK"

... only the
beginning

Ever stop to think what the world was like before electricity became everybody's servant? It's difficult to picture! Electric power serves so faithfully we just take it for granted.

Edison's incandescent lamp, heralding the birth of modern electric service, finally became more than a dream 75 years ago. To help turn this dream into reality, other men provided the finances Edison needed. Their joint achievement is an example of how financial risk-taking and individual ingenuity combine to the benefit of all people.

But our present way of living is only the beginning. Electricity promises for the future still greater marvels and better service.

It requires men and women with many skills to provide this service. If you would like to work with such people why not get in touch with Edison's Employment Office?
